Dear Potential Offerors:

REQUEST FOR PROPOSALS (RFP) FOR RADIOACTIVE WASTE TREATMENT AND BULK SURVEY FOR RELEASE (BSFR), DE-RP30-09CC00046

This letter transmits Request for Proposals (RFP) DE-RP30-09CC00046. The Department of Energy (DOE) is seeking a variety of non-Federal Low Level Waste and Mixed Low Level Waste Treatment Services, located in the United States of America, that provide cost-effective compliance with the Resource Conservation and Recovery Act of 1976, the Federal Facility Compliance Act, State hazardous waste regulations, the Federal Facility Agreement, Toxic Substances Control Act /polychlorinated biphenyl regulations, and any other applicable laws. DOE also seeks Bulk Survey for Release and Ancillary Services, including DOE authorized release services. The anticipated ceiling for any resultant contract award(s) is \$24.9M.

DOE appreciates all comments received on the Draft RFP, which have been considered and reflected in this final RFP where appropriate.

The final RFP is located on the DOE Industry Interactive Procurement System (IIPS) at <https://doe-iips.pr.doe.gov> and the Environmental Management Consolidated Business Center (EMCBC) Low Level Waste/Mixed Low Level Waste Treatment acquisition website at http://www.emcbc.doe.gov/mlw_treatment/. In order to further the Government's policy of maximizing electronic commerce, the RFP, any amendments issued, responses to questions received from prospective offerors, and other official communications from the Contracting Officer will be posted on the acquisition website. The acquisition website will be the DOE's primary conduit for all future communication. Prospective offerors are responsible for reviewing the website regularly for information, notices, and updates regarding the RFP.

As instructed by provision L.18 of the RFP, prospective offerors shall submit questions regarding the RFP no later than 15 calendar days of the release of the RFP. Questions submitted after that date may not allow the Government sufficient time to respond. In addition as directed in L.02 of the RFP, prospective offerors are required to submit an email Notice of Intent to Offer

to the Contracting Officer ten (10) calendar days prior to proposal due date. Proposals shall be delivered to the DOE Contracting Officer no later than 3:00 p.m., Eastern Time, September 28, 2009.

This letter is not an integral part of the RFP and any information contained in this cover letter shall not be construed as being part of the RFP. Prospective Offerors are encouraged to conduct a thorough review of the RFP, and prepare their proposals based solely on the requirements specified in the RFP and in any subsequent amendments.

Sincerely,

A handwritten signature in cursive script, appearing to read "Noelle Mills".
